ALPHA Elbow Guard

NEW

SmartFlex pads are molded to a pre-curved ergonomic fit, providing lightweight, form-fitting, impact-absorbing protection

Engineered internal shell provides a flexible fit with a consistent shape

MLB woven label

Larger canvas for team customization and personalization

Adjustable two-part straps ensure a close, versatile fit stabilized on both sides of the guard

The cantilever shield design on the top pad provides extra assurance, offering increased coverage for great upper arm protection without compromising your swing

Elevated materials inside and out, featuring a cushioned mesh lining

Machine washable

Product rendering subject to change without notice.

ELITE SPEED Leg Guard

The guard's compact shape provides batters with the flexibility to customize their protection — allowing them to fasten it higher or lower on the shin and pivot it around to suit their personal preference.

Body-mapped, impact-absorbing SmartFlex pads offer form-fitting and lightweight

MLB woven label

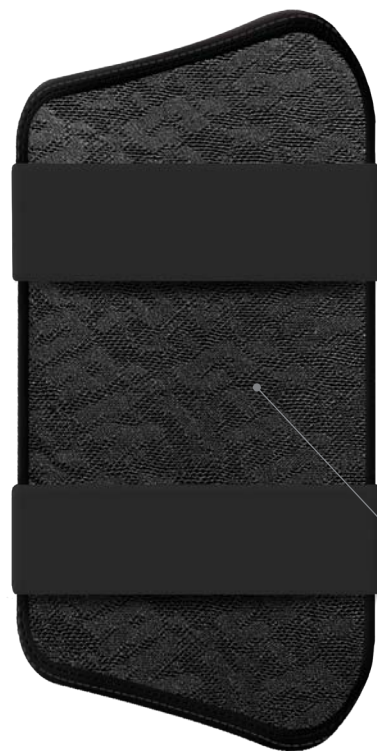

Adjustable straps for versatile fit and quick on/off

Ambidextrous pad accommodates both right and left-handed batters

Machine washable

Elevated materials inside and out, featuring a cushioned mesh lining

Sleek, swaggy, comfortable.

"It's for softball players, made by a professional softball player. I've been through everything these young players have been through. They deserve something that was made for them."

— Sierra Romero
